Terms of Service

TRD Network

These Terms govern your access to and use of the TRD Network platform, products, dashboard and APIs operated by TRD Network.

1. Agreement to terms

By accessing or using TRD Network (the "Service") — including GPU Cloud, VM Instances, Rent & Earn, Storage, TRD Mind and TRD Mart — you agree to be bound by these Terms. If you use the Service on behalf of an organization, you represent that you are authorized to bind that organization.

By accessing or using TRD Network (the "Service") — including GPU Cloud, VM Instances, Rent & Earn, Storage, TRD Mind and TRD Mart — you agree to be bound by these Terms. If you use the Service on behalf of an organization, you represent that you are authorized to bind that organization.

2. The Service

TRD Network provides decentralized compute, virtual machines, object storage, autonomous-agent orchestration and a related marketplace. Capacity is supplied by a distributed network of third-party providers and matched to demand by TRD's dispatch layer. Prices, tiers and availability shown in product pages are illustrative; the binding rate for any session is the rate quoted in the dashboard at launch.

3. Accounts & access

You are responsible for safeguarding your account credentials and API keys, and for all activity under your account. API keys are bearer credentials: anyone holding a key can act as you. Notify us promptly of any suspected compromise.

4. Acceptable use

Your use of the Service is subject to the Acceptable Use Policy, which is incorporated by reference. You must not use the Service to violate law, infringe rights, or run workloads prohibited by that policy.

5. Credits, billing & payment

Usage is metered in credits and billed per the rates shown at launch, generally per second of actual usage. Credits purchased are used to settle sessions; providers are paid from settled usage. Except where required by law, fees are non-refundable. You are responsible for charges incurred under your account, including via your API keys.

6. Provider obligations (Rent & Earn)

If you contribute hardware as a provider, you represent that you have the right to do so, that you will run the worker software as documented, and that you will not interfere with or attempt to inspect tenant workloads. Earnings are computed from receipt-verified usage and are payable subject to these Terms and applicable law.

7. Data & content

You retain ownership of your data and workloads. You grant TRD a limited licence to host, transmit and process your content solely to provide the Service. Storage is sovereign by default; you control your keys. Handling of personal data is described in the Privacy Policy.

8. Verifiable receipts

The Service emits cryptographic R+2 receipts for metered actions. Receipts hash inputs and outputs and are provided for transparency and audit. Receipts are provided "as is" as a record of actions; they are not a warranty of any particular outcome.

9. Intellectual property

The Service, its software, and TRD branding are owned by TRD Network or its licensors. These Terms grant you no rights in TRD intellectual property except the limited right to use the Service.

10. Disclaimers

THE SERVICE IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY LAW. Decentralized capacity may vary in availability and performance.

11. Limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, TRD NETWORK WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, OR FOR LOST PROFITS OR DATA. Our aggregate liability for any claim is limited to the amounts you paid for the Service in the three months preceding the claim.

12. Suspension & termination

We may suspend or terminate access for violation of these Terms, the Acceptable Use Policy, or to protect the network. You may stop using the Service at any time; certain provisions survive termination.

13. Changes

We may update these Terms; material changes will be posted with a revised effective date. Continued use after changes take effect constitutes acceptance.

14. Governing law

These Terms are governed by the laws of the United Arab Emirates, without regard to conflict-of-laws rules, and subject to the jurisdiction of the courts of Dubai, UAE, unless otherwise required by applicable law.
